WASHINGTON YOUTH TOUR

Jackson Energy is offering eight (8) high school juniors a one-day trip to Frankfort, Kentucky and a once in a lifetime opportunity to tour Washington, D.C.

The Kentucky Rural Electric Washington Youth Tour is an annual, week-long, all-expenses-paid trip to our nation's capital. Twenty-two of Kentucky's 24 electric cooperatives participate in the Washington Youth Tour and nationwide, electric co-ops from 46 states participate. In all, more than 1,500 young people from across the nation gather in Washington each year for the event.

Jackson Energy, along with Kentucky's electric co-ops, sends students to Washington for a number of reasons including:

- rewarding students for academic achievement and community leadership;
- educating students about the role of electric co-ops in the state and national economy;
- fostering students' appreciation for the democratic form of government;
- exposing students to the sights and sounds of our nation's heritage
