The Chairman of the Board shall:

- a. Be the principal officer of the Cooperative and unless otherwise determined by the Board of Directors, shall preside at all meetings of the Board of Directors;
- b. Sign any deeds, mortgages, deeds of trust, notes, bonds, contracts, or other instruments authorized by the Board of Directors to be executed, except in cases in which the signing and execution of an instrument shall be expressly delegated by the Board of Directors or by the Bylaws to some other officer or agent of the Cooperative;
- c. In general, perform all duties incident to the office of Chairman and such other duties as may be prescribed by the Board of Directors from time to time.

Section 5. Vice-Chairman

In the absence of the Chairman, or in the event of his or her inability or refusal to act, the Vice-Chairman shall perform the duties of the Chairman, and when so acting shall have all the powers of and be subject to all the restrictions upon the Chairman. The Vice-Chairman shall also perform such other duties as from time to time may be assigned to him or her by the Board of Directors.

Section 6. Secretary

Except as otherwise provided by the Board or these Bylaws, the Secretary:

- a. Shall be responsible for preparing, or supervising the preparation of, minutes of Board and member meetings;
- b. Shall be responsible for maintaining and authenticating the Cooperative's records;
- c. May affix the Cooperative's seal to a document authorized or approved by the Board or members;
- d. Shall ensure that all required notices are duly given in accordance with the Bylaws or as required by law;
- e. Shall perform all other duties, shall have all other responsibilities, and may exercise all other authority prescribed by the Board.

Section 7. Treasurer

Except as otherwise provided by the Board or these Bylaws, the Treasurer:

- a. Shall oversee the custody of all funds and securities of the Cooperative;
- b. Shall oversee the receipt of and the deposit of all funds payable to the Cooperative in a bank or banks approved by the Board.
- c. Such other duties as may be incident to the office of the Treasurer or as may be assigned to him or her by the Board.

Section 8. Delegation of Secretary's and Treasurer's Responsibilities

Any Officer, subject to objection by the Board of Directors, may delegate in whole or in part the regular or routine administration of one or more duties of such officer to one or more agents, other officers, or employees of the Cooperative who are not Directors.

Section 9. President and CEO

The President and CEO shall perform the typical duties of a Chief Executive Officer and shall exercise such authority as the Board of Directors may determine. The President and CEO is not an Officer of the Board of Directors.

Section 10. Bonds of Officers

At the Cooperative's expense, the Cooperative may purchase a bond covering a Cooperative officer or official.

Section 11. Compensation

The Board of Directors shall set the compensation of Board officers and agents, and shall establish a methodology for the compensation of the employees of the Cooperative.

Section 12. Reports

The treasurer shall submit a report at each annual membership meeting. The remaining officers may, in their discretion, submit reports to the membership at the annual meeting.

Section 13. Indemnification of Directors, Officers and Employees

Every present or past Director, Officer or employee, or member of a Board committee of the Cooperative shall be indemnified by the Cooperative against all judgments, penalties, fines, settlements, and reasonable expenses, including legal fees, incurred as a result of or in connection with any threatened, pending, or completed civil, criminal, administrative, or investigative proceeding to which he or she may be made a party by reason of acting or having acted in his or her official capacity as a Director, Officer, employee or member of a Board committee of the Cooperative, or in any other capacity at the request of the Cooperative, as its representative in any affiliated organization, subject to the following conditions:

a. The Director, Officer, employee or committee member must have conducted himself or herself in good faith (and reasonably believed his or her conduct was in the best interests of the Cooperative), and, in the absence of criminal proceedings, he or she must have had no reasonable cause to believe that the conduct was unlawful. When acting in his or her official capacity, he or she must have reasonably believed his or her conduct was in the best interests of the Cooperative.

b. When acting in any other capacity, he or she must have reasonably believe that his or her conduct was at least not opposed to the best interests of the Cooperative.

c. If the proceeding was brought by or on behalf of the Cooperative, however, indemnification shall be made only with respect to reasonable expenses referenced above. No indemnification of any kind shall be made in any such proceeding in which the Director, Officer, employee or member of a Board committee shall have been adjudged liable to the Cooperative, except that no professional employee shall be liable to the Cooperative for any losses occasioned by his or her errors or omissions made in his or her official capacity with the Cooperative unless such losses were the result of gross negligence or willful misconduct.

d. In no event, however, will indemnification be made with respect to any described proceeding once it has been determined that the Director, Officer, employee, or committee member improperly benefited from the receipt of an improper personal benefit.

e. In order for any person to receive indemnification under this Section, he or she shall vigorously assert and pursue any and all defenses to those claims, charges, or proceedings covered hereby which are reasonable and legally available and shall fully cooperate with the Cooperative or any attorneys involved in the defense of any such claim, charges, or proceedings.

No indemnification shall be made in any specific instance until it has been determined by the Cooperative that indemnification is permissible in that specific case under the standards set forth herein and that the expenses claimed are reasonable. These two determinations shall be made by a majority vote of at least a quorum of the Board of Directors consisting solely of Directors who were not parties to the proceeding. If such a quorum cannot be obtained, a majority of at least a quorum of the Board of Directors, including Directors who are parties, shall designate a Board Committee which shall consist solely of three or more Directors who are not parties to the proceeding, and such Committee shall make said determinations by majority vote. If it is not possible to make said determinations by either of the above methods, then a special legal counsel selected by a majority vote of at least a quorum of the Board of Directors, including Directors who may be parties, shall make said determinations. However, in making such determinations the termination of any proceeding by judgment, order, settlement, conviction or upon pleas of nolo contendere or its equivalent shall not, in and of itself, be conclusive that the person did not meet the standards set forth herein.

In addition to the indemnification provided herein, the Board of Directors may, as part of the ordinary course of business of the Cooperative, direct that insurance or self-funded liability protection shall be purchased or provided, to the extent reasonably practical, by the Cooperative that would protect it, its Directors, officers, employees or committee members against liabilities and reasonable expenses arising out of the performance of their duties for the Cooperative.

ARTICLE VI: CONTRACTS, CHECKS, AND DEPOSITS

Section 1. Contracts

Except as otherwise provided in the Bylaws, the Board of Directors may authorize any Director, Officer, agent or employee to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Cooperative and such authority may be general or specific in nature.

Section 2. Checks, Drafts, etc.

All checks, drafts or other orders for the payment of money, and all notes, bonds or other evidence of indebtedness issued in the name of the Cooperative shall be signed by such Director, Officer or employee of the Cooperative and in the manner as may be determined by resolution of the Board of Directors.

Section 3. Deposits

All funds of the Cooperative shall be deposited from time to time to the credit of the Cooperative in such financial institutions as the Board of Directors may select.

ARTICLE VII: NON-PROFIT OPERATION

Section 1. Non-Profit and Cooperative Operation

The Cooperative shall operate on a non-profit and cooperative basis for the mutual benefit of all members and may not pay interest or dividends on capital furnished by patrons.

Section 2. Patronage Capital in Connection with Furnishing Electric Energy

In the furnishing of electric energy and other services, the Cooperative's operations shall be conducted so that all patrons will, through their patronage, furnish capital for the Cooperative. In order to induce patronage and to assure that the Cooperative will operate on a non-profit basis, the Cooperative is obligated to account on a patronage basis to all its patrons for all amounts received and receivable from the furnishing of electric energy in excess of operating costs and expenses properly chargeable against the furnishing of electric energy and other services. All such amounts in excess of operating costs and expenses at the moment of receipt by the Cooperative are received with the understanding that they are furnished by the patrons as capital. The Cooperative is obligated to equitably allocate credits to a capital account for each patron all such amounts in excess of operating costs and expenses. The books and records of the Cooperative shall be set up and kept in such a manner that at the end of each fiscal year, the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron. All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in pursuance of a legal obligation to do so and the patron has then furnished the Cooperative corresponding amounts for capital.

All other amounts received by the Cooperative from its operations in excess of costs and expenses shall, insofar as permitted by law, be (a) used to offset any losses incurred during the current or any prior fiscal year and (b) to the extent not needed for that purpose, allocated to its patrons on a patronage basis and any amount so allocated shall be included as part of the capital credited to the accounts of patrons, as herein provided.

Consistent with this Bylaw, the allocation of capital credits is in the discretion of the Cooperative which will determine the manner, method and timing of allocating capital credits.

In the event of dissolution or liquidation of the Cooperative, after all outstanding indebtedness of the Cooperative has been paid, allocated capital credits shall be retired without priority on a pro-rata basis before any payments are made on account of property rights of members, provided, that insofar as gains may be realized from the sale of any appreciated asset, such gains shall be distributed to all persons who were patrons during that

period, insofar as is practicable, as determined by the Board of Directors before any payments are made on account of property rights of members.

If, at any time prior to dissolution or liquidation, the Board of Directors shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital credited to patrons' accounts may be retired in full or in part. The Board of Directors shall determine the method, basis, priority and order of retirement, if any, for all amounts furnished as capital.

Capital credited to the account of each patron shall be assignable on the books of the Cooperative pursuant to written instructions from the assignor and only to successors in interest or successors in occupancy in all or part of such patron's premises served by the Cooperative unless the Board, acting under policies of general applications, shall determine otherwise.

Notwithstanding any other provision of the Bylaws, the Board of Directors, at its discretion, shall have the power at any time upon the death of any patron, a natural person, if the legal representatives of his or her estate shall request in writing that the capital credited to any such patron be retired prior to the time such capital would otherwise be retired under the provisions of these Bylaws, to retire capital credited to any such patron immediately upon such terms and conditions as the Board of Directors, acting under policies of general application, and the legal representative of such patron's estate shall agree upon; provided, however, that the financial condition of the Cooperative will not be impaired thereby; and provided further that no payment of capital credits to the estate of a deceased member shall be made except to the extent said credits represent receipts in cash to the Cooperative.

ARTICLE VIII: CONTRACT BETWEEN COOPERATIVE AND MEMBERS

The members of the Cooperative, by becoming members and using electricity or other services of the Cooperative, acknowledge that the terms and provisions of the Articles of Incorporation, Bylaws, tariffs, rules and regulations, membership application and any other governing documents constitute a contract between the Cooperative and each member, and both the Cooperative and the members are bound by such contract as fully as though each member had individually signed a separate instrument containing such terms and provisions. Any of the above-referenced documents will be made available to a member of the Cooperative upon reasonable request.

ARTICLE IX: WAIVER OF NOTICE OF MEETING

Any member may waive, in writing, any notice of a meeting required to be given by the Bylaws. Any Director may waive the required notice of a meeting in writing or by electronic communication directed to a recipient designated to receive such communications.

ARTICLE X: DISPOSITION OF PROPERTY

The Cooperative may not sell, lease or otherwise dispose of all or a substantial portion of its property or dissolve the Cooperative unless the Board of Directors is

authorized to do so by a two-thirds (2/3) vote of a quorum of the members at a member meeting. Due notice shall be given to the members of the proposed sale, lease or other disposition of such property.

Notwithstanding the foregoing, the Board of Directors, without authorization by the members, may authorize the encumbrance of all or a substantial portion of the Cooperative's property or assets, tangible or intangible, by mortgage or other such instrument evidencing a secured transaction.

ARTICLE XI: FISCAL YEAR

The fiscal year of the Cooperative shall begin on the first day of January of each calendar year and end on the thirty-first day of December of that same year.

ARTICLE XII: MEMBERSHIP IN OTHER ORGANIZATIONS

The Cooperative may only become a member of any other organization upon an affirmative vote of a majority of the members at a meeting called as provided in the Bylaws. The notice of said meeting shall specify that action is to be taken upon such proposed membership as an item of business.

Notwithstanding the forgoing, the Board of Directors shall have the authority to authorize the Cooperative to purchase stock in or to become a member of any entity that is organized on a non-profit basis for the purpose of engaging in or furthering the cause of rural electrification or rural economic development.

ARTICLE XIII: SEAL

The corporate seal of the Cooperative shall be in the form of a circle and shall have inscribed thereon the name of the Cooperative and the words "CORPORATE SEAL, KENTUCKY."

ARTICLE XIV: AMENDMENTS

The Bylaws may be altered, amended, or repealed by the affirmative vote of not less than two-thirds of all the directors at any regular meeting. The Bylaws may also be altered, amended, or repealed by vote of not less than two-thirds of all the directors at any special meeting, provided, a notice of such meeting shall have contained a copy of the proposed alteration, amendment, or repeal.
